

MAJOR PRODUCT CHANGES

OVERVIEW

The new and improved 2000 Mercury Sable is a car of substance and distinction. The 2000 Sable offers a more formal exterior appearance, an all-new wheel line-up, new seats, improved powertrain, and ride and segment exclusive safety and comfort features.

FUNCTIONAL REVISIONS

Safety/Security

- Standard Personal Safety System includes dual stage driver and passenger front air bags with crash severity sensing system, front seat belt usage detection system, driver seat position sensors, new front safety belt pretensioners and energy management retractors
- New belt minder warning system
- New locking head restraints are two inches taller for improved comfort and support
- Integrated child safety seat tethers in rear package tray for two outboard seat positions
- New standard emergency trunk release
- New head impact protection

Powertrain/Chassis

- Base Vulcan engine offers 12 ft-lbs more torque and eight additional horsepower which improves part-throttle and passing performance and responsiveness
- Duratec refinements make engine quieter and provides smoother shifting. New coil-on-plug ignition system improves reliability and durability. New single exhaust system maintains 200 hp
- New electronic returnless fuel system reduces fuel tank vapor
- More precise steering feel and positive on-center feel
- Spring rates are 15% softer in front and 12% softer in rear to improve smoothness

OPTIONS/MISCELLANEOUS

- GS wagon replaces LS wagon and features new standard 7-spoke 16" aluminum wheels, 3rd row seat and cargo cover as standard equipment
- New power adjustable brake/accelerator pedal unit moves rearward up to three inches to accommodate driver (optional on GS, standard on LS and LS Premium)
- Fog lamps and heated mirrors now standard on LS Premium
- Power passenger seat now requires side air bags and leather seating surfaces
- Dual beam map/dome light and remote keyless entry system now standard on all series
- New audio group includes MACH audio and 6-disc CD changer; available on LS and LS Premium only
- New extended clock check/set feature allows time to be set or checked with ignition switch off
- Second powerpoint and floor mats now standard on all series
- New optional head and chest side air bags for front seat driver and passenger
- Optional all-speed traction control (requires ABS) available on LS and LS Premium series
- Engine block heater no longer available as option. Dealer installed option only
- Air filtration system standard on all models
- New complex reflector clear-lens headlamps improve night vision and service life
- Four new trunk cargo hooks to hang bags in luggage area

- New single activation moonroof switch controls tilt and slide functions

INTERIOR REVISIONS

- New two-tone instrument panel with darker upper pad offers more sophisticated look
- New integrated control panel shape provides better functionality
- New interior door panels, revised seat cut and sew style and 360 door pull handle
- Heavier carpet for quieter ride
- All models offer new woodgrain trim
- Hard map pockets on all four doors and seat map pockets on driver and passenger seat backs
- Added storage bin in IP center stack
- 5-passenger includes additional storage in console, new adjustable cup holders, new front storage bin, passenger-side console map pocket, rear cup holders and second powerpoint. 6-disc CD changer in the center console offers improved convenience
- 6-passenger center console offers more storage room and folds flat for improved functionality (standard on GS)
- 5-passenger configuration with mini-console and column shift is no longer available
- New illuminated sunvisors with secondary visor on LS Premium provide increased coverage of front windshield and door glass

EXTERIOR REVISIONS

- New exterior styling includes raised hood and decklid, larger headlamps and taillamps and new mirrors
- Wider decklid opening and lowered decklid liftover height for easier access to trunk
- All new wheel line-up including standard 16" wheels and larger P215/60R/16 tires for softer ride
- New larger grille with vertical black bars and chrome surround

NEW EXTERIOR COLORS

- Chestnut Brown Clearcoat Metallic (B4)
- Medium Royal Blue Clearcoat Metallic (LA)
- Harvest Gold Clearcoat Metallic (B2)

NEW INTERIOR COLORS

- Medium Parchment (H)
- Dark Charcoal (W)

MEMO: DISCONTINUED EXTERIOR COLORS

- Light Prairie Tan Clearcoat Metallic
- Dark Green Satin Clearcoat Metallic
- Deep Navy Blue Clearcoat Metallic

MEMO: DISCONTINUED INTERIOR COLORS

- Prairie Tan
- Deep Slate Blue

SPECIAL ORDERS

(FLEET ONLY. See Dealer Special Order Binder for ordering guidelines and restrictions.)

CALIFORNIA/NORTHEAST STATES**/CROSS-BORDER STATES***

CALIFORNIA EMISSIONS SYSTEM.....	422
Required on units for California and Northeast States registration. Optional for Cross-Border States. NA with High Altitude Principle Use.	
CALIFORNIA EMISSIONS SYSTEM NOT REQUIRED	423
Control code for units either shipped to California or Northeast States dealers or ordered by California or Northeast States dealers for registration in non-California, non-Northeast States locations.	
CALIFORNIA/NORTHEAST STATES PUBLIC SERVICE/EMERGENCY VEHICLE EXCEPTION	936
Only available on units sold to authorized governmental units and privately-owned ambulance companies. Must also use Code 423 when ordering.	
NON-CALIFORNIA/NON-NORTHEAST STATES/NON-CROSS-BORDER STATES DEALER ORDER FOR CALIFORNIA OR NORTHEAST STATES REGISTRATION	93N
Required on all units ordered by dealers for California or Northeast States registration when the vehicle is being delivered to a non-California, non-Northeast, non-Cross-Border States location. Requires 422 California Emissions System. Vehicles must be registered in California or Northeast States.	

**NORTHEAST STATES

Northeast States are Connecticut, Delaware, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, Virginia, and Washington D.C.

***CROSS-BORDER STATES

Cross-Border States are Arizona, Kentucky, Maine, Nevada, North Carolina, Ohio, Oregon, Tennessee and West Virginia.

VEHICLES DESTINED FOR HIGH ALTITUDE AREAS

HIGH ALTITUDE PRINCIPAL USE	428
Control code required on all units sold for principal use in high altitude counties, as defined in EPA regulations, and listed in the Dealer Initial Ordering Guide. High altitude performance and/or emissions control equipment provided as required to comply with EPA regulations or general product vehicle performance acceptance standards. Also available on units for sale in high altitude fringe areas. NA with 422 California Emissions.	
NON-HIGH ALTITUDE PRINCIPAL USE	429
Control code on units shipped to high altitude areas or units ordered by high altitude area dealers for registration in a non-high altitude area.	
CFFP LEV OPTION	42F
Control code available for fleets in areas covered by CFFP requirements for Federal LEV certified vehicles. Eligible areas are: Colorado, Georgia, Illinois, Indiana, Texas and Wisconsin.
